I am a work of art
I am a work in progress
I am a building block of life
I am, I am, I am
Just like you

You are a work of art
You are a work in progress
You are a building block of life
You are, you are, you are part
Of the collective we

We are works of art
We are works in progress
We are building blocks of life
We are, we are, we are
Art

Breathing growing wishing loving
We are, we are, we are, we are
Dreamers, makers, doers, shakers
We are, we are, we are, we are
Feeling feelings, crying, needing
We are, we are, we are

We are witnessing a slice of this life.
